Be sure to click the Refresh/Reload button in your web browser so you see the latest version of this PDF.

If you have tested positive for COVID -19 within five (5) days of a BSI-hosted event, please do not attend the event. And, if you have been exposed to someone who has recently had COVID-19, please be sure that you also test negative for COVID prior to attending any BSI event.

January 2024 BSI Events

Consistent with other New York City venues, we do **NOT** have mask or vaccination requirements for our January 2024 events. However, anyone wishing to wear a mask at a BSI event is welcome to do so.

For those uncomfortable shaking hands, an elbow bump is a good alternative as a gesture of welcome.
