When writing articles for the *Baker Street Journal*, story names should be in roman within double quotation marks ("The Speckled Band" not *The Speckled Band* or "The Adventure of the Speckled Band" or as SPEC). The four long stories should be in italics: *A Study in Scarlet*, *The Sign of the Four*, *The Hound of the Baskervilles*, and *The Valley of Fear*. Please note it is always *The Sign of the Four* not *The Sign of Four*.
