Due to an unusual production error, BSI Press has withdrawn from sale the remaining copies of the first edition of *A West Wind*. This reflects our ongoing commitment to both quality of publication and customer service. A revised edition of the book is being printed and will be available for sale in 2024. We will update the BSI website's [West Wind](#) page when the corrected edition is available.

Those customers who purchased one or more of the original 2023 volume and who wish to obtain the new corrected edition can do so free of charge by sending us the dust jacket from your copy of the book along with the form below. We will send you a replacement volume once it is available. Buyers will receive one copy for each complete *West Wind* dust jacket that we receive.

This offer for a replacement corrected copy is good until January 19, 2025 or while supplies last. Replacement requests cannot be honored once the corrected volume is sold out.

Please direct all questions, including the status of your replacement request, to:

Andy Solberg at <asolberg@earthlink.net>
